Why Buy HFM1515-R

FloorCare

Professional cleaning performance with 150rpm, perfectly designed for scrubbing, deep-cleaning and general floor maintenance. Transmission of power to the floor is seamless via the long-life, low load, oil filled planetary gearbox, resulting in superb handling characteristics and excellent cleaning results.

Fitted as standard with our generous oversize Hurricane 1500W drive motor.

A comprehensive range of accessories is available to cover wet applications, carpet shampooing, vacuum polishing and floor sanding.

Built to Last

Powerful, heavy-duty Hi-Cool 1500W long-life motor.

Performance You Can Trust

Automatic Torque Control (ATC) balances power input.

Powerful Cleaning Results

User-friendly features offers power, convenience and efficiency.

User Comfort

Find the perfect working position with fully adjustable handle.

Ultimate Versatility

A wide range of accessories available for all applications.

Sustainably Engineered

ReFlo Technology uses the highest quality, recycled plastics, ensuring our products are both sustainably engineered and built to last. The HFM1515-R is made from a minimum 35% recycled content.*

*35% represents the minimum use of recycled plastic, including all accessories.
